

NEWTOWN AND LLANLLWCHAIARN TOWN COUNCIL GRANT MAKING POLICY – Newtown Community Fund*

1 Introduction

1.1 The Town Council will operate the grant scheme known as the Newtown Community Fund as the overall framework for awarding grants

1.2 Grants can be awarded from the Newtown Community Fund if there are legal powers to do so and for example include the following provisions:

- Local Government Act 1972 section 137 - power of local authorities to incur expenditure for certain purposes not otherwise authorised to provide financial support, up to a fixed amount, for the benefit of the residents of the area. The total annual amount available to a Town or Community Council for this purpose is prescribed by Welsh Government and is the 'appropriate sum' multiplied by the number of residents on the Electoral Register
- Local Government Act 1972 section 142 – provision of information and advice e.g. Citizens Advice Bureaux
- Local Government Act 1972 section 145 – provision of entertainments e.g. Food Festival
- Local Government Act 1972 section 176 – payment of expenses of official and courtesy visits and receptions for such visitors e.g. Twinning Association
- Local Government (Miscellaneous Provisions) Act 1976 section 19 – provision of recreational facilities e.g. support to sports clubs
- Monies are also available from the proceeds of recycling bank payments from Powys County Council under Adopt a Site Scheme.

2. The Policy

2.1 The clerk will keep the council informed of the current annual S137 limit.

2.2 The clerk will keep the council informed of the current spend of monies allocated to the grant scheme under the various provisions listed above. A separate account must be kept for S137 grants.

2.3 The council will ensure that any grant it awards is, in its opinion, in the interests of, and will bring direct benefit to, any part of the Newtown and Llanllwchaiarn Council's area, or all or some of its inhabitants, and that the direct benefit accruing to the aforementioned will be commensurate with the expenditure to be incurred.

2.4 Grants will not be awarded for purposes where the council is prohibited from incurring expenditure for that particular purpose.

2.5 Grants will not be awarded to individuals.

2.6 The council will consider grant applications through the Resources Committee (or its equivalent) twice a year (half the allocated amount each time), in May and in October. Only in exceptional circumstances will a grant be considered outside these dates.

- 2.7** Groups applying for funding must be constituted and have a group bank in the name of the organisation or building society account with a least two authorised unrelated signatories for payments.
- 2.8** The Committee will assess applications against the **Terms of Reference**.
- 2.9** Funding must be spent and accounted for within 1 year of receipt.
- 2.10** Permission from the council should be sought for any substantial change on what the money will be spent.
- 2.11** Any unspent grant will be returned to the council.
- 2.12** The Council will only consider one grant application per organisation per financial year unless there are extenuating circumstances.
- 2.13** A maximum grant of £1000 to be awarded
- 2.14** Newly formed groups and first time applicants will have a priority in the allocation of monies. Please see the funding process in the Terms of Reference.
- 2.15** The Resources committee may, having considered an individual application, apply its discretion to allocate a different amount.
